

cleaner, greener, better.

FocusServices

Now more than ever, it's imperative your company's service providers are delivering **true value for money.**

FocusServices is Wellington's premier commercial cleaning company, and an expert in delivering high quality, environmentally friendly, tailored cleaning solutions to corporate offices and properties.

We offer our clients high value for money, superior service, outstanding attention to detail, as well as a socially and environmentally friendlier alternative to ensure sustainability objectives are also being met.

To discuss your requirements or arrange a quote, please contact:

Joss Jenner-Leuthart, Director Corporate Accounts on **974 8996**
